California State University General Education Breadth (CSU GE)

The California State University (CSU) requires all students to complete at least 48 semester units of general education (GE) to earn a bachelor's degree. The CSU GE-Breadth is a 39 semester-unit pattern of lower-division GE courses that may be completed at Reedley College. The remaining 9 units of GE are upper division courses that must be completed at the CSU. It is recommended that students planning to transfer to a CSU complete their lower-division GE prior to transfer by following the CSU GE-Breadth pattern. However, the CSU GE-Breadth pattern may not be the best GE preparation pathway for ALL majors. Students should consult with a counselor to determine the best GE plan for their major and transfer destination.

This CSU GE-BREADTH IS APPROVED FOR REEDLEY COLLEGE ONLY. Students completing courses at other California Community Colleges, in particular Fresno City College, Clovis Community College, and Madera Community College, should carefully review course differences in CSU GE placement on www.ASSIST.org

Certification

Upon request, Reedley College will verify the completion of lower-division general education requirements for transfer to the CSU. Courses can only be certified if they were on the CSU approved list at the time they were taken by the student. Students who transfer without completing the CSU GE-Breadth will have to meet both lower and upper division general education requirements specific to the CSU campus to which they are transferring.

GE Credit by Examination:
