

Welcome to Cal State East Bay! As a new transfer student, it can be challenging just getting started. We encourage you to **focus on your major courses first** and seek advising from your major department, especially since the majority of the coursework that you'll be completing here will be for your major. However, below are a few **non-major** requirements that we can share with you now to help you get started.

If you are **transferring from another CSU** and took upper division coursework there, you may have satisfied the upper division
