

CASPER II AS

College Course: _____ 3 : AP Exam _____ 3

CSU Graduation Requirement (6-9 semester units)	Description	Required	C	IP	N
US 1	Historical Development of American Institutions & Ideas	3			
US 2	US Constitution and Government	3			
US 3	California State and Local Government	3			

NOTE: This pattern is designed to satisfy the 39 units toward division General Education (GE) requirements to any CSU campus. A course with a grade of "P" or "CR" may be used if the grading policy of the community college where the course was taken states that the "P" or "CR" grade is equivalent to a "C" grade or better. Catalog rights do not apply to CSU GE courses. Courses must be the CSU GE at the time the course was taken. Courses taken in person or online at other community colleges will be applied to CSU GE according to how they were approved at the college in the semester the course was completed. Woodland Community College and Yuba College do not share CSU GE patterns. If taking a course in person or online at WCC, check to see what area it satisfies on WCC's pattern. Courses listed in more than one area may only be used once except for courses in US Constitution and American Ideals. Advanced Placement (AP) exams completed with a score of 3, 4, or 5 may be applied to CSU GE. See the AP/IB/SAT/ACT Exam Examinations in the catalog for more information. Students majoring in Engineering may be exempted from specific areas of CSU GE for some campuses. Students majoring in Liberal Studies may be required to complete specific course in each area of CSU GE. Contact a Yuba College Counselor for CSU GE and major information at 530.634.7666.

CSU campuses may have additional graduation requirements outside of those below CSU Chico and CSU Sacramento graduation requirements.
